Cotton Egypt Association (CEA) is a non-profit association, established in 2005. CEA exclusively manages and promotes the registered Egyptian Cotton™ logo trademark, owned by the Ministry of Trade & Industry and Alexandria Cotton Exporter's Association. Its vision is to globally authenticate the legacy of Egyptian cotton and its mission is protecting and promoting the value-addition of Egyptian cotton identity in the supply chain end-to-end. working closely with local and international companies involved in the Egyptian cotton supply chain, This ensures that products carrying the Egyptian cotton logo are softer, finer and more resilient than those made from other fibers.

CEA is also responsible for the licensing program, The Egyptian Cotton Logo accreditation process is becoming the industry standard in purchasing products. Major retailers in the US and the UK insist that their suppliers for Egyptian cotton products be accredited with the Egyptian Cotton Logo certificate so that they are confident that there distinguished customers will get what they pay for .. Authentic Egyptian cotton products made of 100% Egyptian Cotton.

Legend is a full suite swimwear provider – the Concierge of Swimwear. We take care of our customers from pencil to needle and from needle to shop window.

We started as a swimwear factory in 1995. Founded in Hong Kong, originally focusing on the OEM business, we have since grown to become the trusted swimwear delivery partner for world famous fashion brands and retailers.

With production plants in China and Vietnam, we deliver not just cut & sewn for 15m units of swimwear each year, but a full suite of swimwear solutions. We have deep expertise in swimwear execution, fashion forward design capability, low wastewater discharge fabric printing, virtual 3D sampling, and sustainable manufacturing advisory.

With professional service in mind, we supply the best value swimwear. Sustainably.

## نبذة

The Future Institute of Higher Education and Training, licensed by TVTC and the Ministry of Education, has been empowering women in the workforce in Jeddah, KSA, since 1993 through vocational course and higher Diploma. It is a leading training institute in Saudi Arabia, known for its innovative approach to education. Over 15K graduates have completed their training, and the majority have successfully achieved great accomplishment in their workplace. In 2020, the institute made history by collaborating with the Ministry of Culture's Performing Arts Commission, becoming the first training institute in the country to do so. Additionally, in 2019, they hosted the Futuristic Forum, focusing on technology in training, which attracted global experts to discuss trends in education and technology. The institute has also actively supported jewelry and fashion designers, organizing the "Watan min Dahab" (Land of Gold) event in 2019, which showcased local talent. This initiative has continued for four years, enhancing the visibility of these creative industries in Saudi Arabia. Again, they are pioneers in offering fashion diploma with technology as the Saudi fashion industry shows its rapid development, and its strategic alignment with the nation's vision of 2030. Future Institute are proud of how the Kingdom's youth are putting the country on the global fashion stage, and remain dedicated to providing high-quality education and training that aligns with the demands of the 21st-century workforce, led by innovative leaders committed to enhancing the student learning experience.

When Everbright International was founded in 1999, we owned several plants and focused on the garment manufacturing stage of the supply chain. Today, we operate an import & export trade company and three factories. We collaborate with about 70 factory bases, numerous fabric mills and accessory suppliers to expand our product range and to increase the flexibility of our supply chain. Over the years, we have grown from a small local business to an international one, but our goal to create customer value by producing quality clothing in a safe working environment remains unchanged. Our vision is to become a global apparel sourcing solution provider.

## Profile

## نبذة

The idea of Walkaroo was conceived in early 2012 by a group of entrepreneurs, most of whom had a rich legacy in the footwear industry spanning over 20 years. The vision was to Democratize Fashion in the Footwear Industry by offering high-quality footwear at affordable prices for all. The vision is best poised to address a big market like India, where domestic consumption drives the demand.

Today, Walkaroo Group is a widely established firm as one of the leading manufacturers of PU Footwear in India. Walkaroo Group of companies fulfills the needs of mass and mid-range customers by providing a wide range of Footwear products like slippers, sandals, flip-flops, casual shoes, and formal shoes for men, women & kids under its flagship brand "Walkaroo".

Walkaroo has also established a footprint outside India with export to GCC, SAARC, and Southeast Asian countries. Walkaroo also started operations in Bangladesh in 2018 and since then it has grown to become a leading PU Footwear brand in the country. In 2022 group opened its sales offices in Dubai, Singapore, and Tanzania.
